I understand that the Camp/Expedition Leader reserves
the right to send any participants home if necessary. If it
becomes necessary for my child to receive medical
treatment and I cannot be contacted by telephone or any
other means to authorise this, I hereby give my general
consent to any necessary medical treatment and
authorise the Scouter in charge of the camp to sign any
document required by the hospital authorities.

Note: The medical profession takes the view that the parents consent to medical treatment cannot be delegated. This view is explicit in the Children Act 1989. Thus medical consent forms have no legal status and a doctor/nurse insisting on the consent of a parent to a particular treatment has the right to do so. For this reason, we do not recommend Leaders insist on parents signing the statement above. However, it can be a comfort to medical staff to have general consent in advance from parents or to have a Leader on hand able to sign forms required by medical authorities.
